LWE Music Booster

General Meeting 09/03/2014

The show is the same day as homecoming but LWE should be scheduled early - Students can leave after the performance.

We need volunteers to shadow - So we have next years volunteers trained.

Music booster website has been developed and maintained by Mr. Johnson and Carol Garcia.

It is available as a mobile site.

Madrigal events/Schedule needs to be added to Google calendar. Mr. Granger said he would send Carol the calendar.

The most current schedule is on www.LWEMusic.org - We shouldn't be using Charms for scheduling. (with the exception of volunteers for SIAM and Fall fest)

Disney Trip dates 4/5-4/10/2015 We have enough students registered for the trip to go as planned. 115 students, staff and chaperones are registered. There is a waiting list if list grows to 50-60 people a new bus could be added. Right now we have two full buses

By-laws state we have a purchasing agent -- Since we do not have anyone currently Jenny Daley has been nominated. Motion to accept Jenny Daley as purchasing agent by Karen Bussean second by Kathy Sons

Purchasing agent will take inventory of all currently stocked materials and develop a spreadsheet. Prior to purchasing we need to check with Jenny to see if we have anything available.

New Business and Member Comments

Judy Arseneau discussed why the spaghetti dinner was cancelled last year.

Response from Mr. Johnson and Carol Garcia.

Due to increased kitchen cost and conflicts with other music programs, the event was not profitable.

A Jazz concert is being added to the schedule to give students more "show" time.

Also suggested was a candy sale - possibly M&M's or Fanny Mae to raise money for the music department. Mr. Johnson and Mr. Granger agreed but it must be approved by the school admin

Motion to adjourn meeting by Beth McGrath 2nd by Kathy Sons.
